Dogs in Cars on Hot Days:

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts to and whilst at Kennel Club events.

- 🐕 When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- 🐕 If your car is not air-conditioned seriously consider whether travelling to a show is a good idea at all.
- 🐕 The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- 🐕 Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- 🐕 When at the show, never leave your dog in the vehicle.
- 🐕 Keep the dog in the shade-take your own shade, for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- 🐕 Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.
